
# Online Store Management

*Keep your products and downloads organised.*

## Why have us do it

- Accurate listings help shoppers feel confident.
- Good product organisation saves time.
- Clear prices and descriptions help customers.
- Updates keep your online store useful.

## How we'll do it

1. We review your current product listings.
2. We add or update agreed product details.
3. We organise images and collections.
4. We test basic listings and downloads.

## What we need from you

- Your store login and permissions.
- Your products, prices and descriptions.
- Any platform or processing fees.
- Approval of the updated listings.

*That's it: you tell us what you need, we set it up and check it.*
