GROUND SUPPORT CREW

WE KEEP YOU FLYING

Home Wi-Fi & Network Assistance

Make everyday home connectivity easier to manage.

WHAT THIS SERVICE INCLUDES

- Review router and Wi-Fi settings remotely where possible.
- Help configure network names, passwords and guest access.
- Discuss coverage problems and common connection issues.
- Review basic router security and device organisation.

GOOD TO KNOW

Physical cabling, on-site work and new networking equipment are not included unless quoted.
