Website Updates & Maintenance

Keep your website fresh, accurate and useful.

Why have us do it

- Outdated pages can confuse visitors.
- Broken links leave a poor impression.
- Regular updates keep information relevant.
- Small fixes may avoid a full rebuild.

How we'll do it

1. We review your requested changes.
2. We update agreed text, images and links.
3. We check navigation and mobile layout.
4. You approve the result before completion.

What we need from you

- Your existing website and access details.
- Replacement text and approved pictures.
- A list of updates you would like.
- Your approval of the published changes.

That's it: you tell us what you need, we set it up and check it.
